President's Message

Hope you are all safe and well as we welcome spring. This is my first message as President and I am looking forward to things getting back to normal again this summer. The low amount of snow fall and precipitation in general, however, is a cause for concern for another difficult fire season for California. So, the message this month is all about getting prepared. Truckee Fire Department has made May, Wild Fire Preparation Month and provided recommendations for preparing your property. See: <http://nixle.usCPM7G>. As you know the town has contracted to have the town property close to the street cleared and our HOA with your approval and support has moved ahead to clear the Cambridge Common Areas. So, take some time to review the town's recommendations and implement what you see fit for your property. We all thank you for your support during another dry fire season.

There is an open position on the Cambridge Estates Homeowners Association Board of Directors for the term which ends January 2022. There are also several open positions on the Architectural Control Committee. Owners who are interested in serving on the Board or the Architectural Control Committee should provide a

letter of interest and brief biography to Kim Sperlin at kim@camcotruckee.com. We encourage you to become involved in the Cambridge Estates Homeowners Association.

The Board will be meeting on Tuesday, May 11th at 7:00pm. The main topic of the meeting this month is ADU's (Accessory Dwelling Units). If you would like to find out more about this topic or provide suggestions on this topic or others please plan on attending. Due to the current COVID-19 situation, the Board meetings are being held via video conference. Please see the agenda for details on how to connect.

Best regards,
Rich

Current HOA Projects

Bear Box Guideline

The Board has approved a guideline to allow homeowners to install Bear Boxes. There are restrictions on the installation and you must submit an application to the ACC before installing a Bear Box.

If you have an existing Bear Box, you will need to update it by July 2021 to comply with the new Guideline. Please refer to the website or contact CAMCO if you have questions.

Information and Feedback

Newsletter

The Board commissioned this newsletter to keep homeowners informed of association matters. The newsletter also serves to inform members of the date and location for the next Board meeting and provide the meeting agenda. The newsletter will be distributed before each regularly scheduled Board of Directors meeting.

The newsletter is distributed via email to homeowners who opt in for electronic distribution and via USPS mail to those who do not. Please contact CAMCO to opt in for email distribution or if you have any suggestions for content. Please see the side bar for CAMCO's contact information. You can also send comments and suggestions to the editor at: craig@craigbradley.com.

Board Meetings

The Board encourages homeowners to attend Board Meetings. There is a section on the agenda at the beginning of every meeting for homeowners to express any issues or comments they may have to the Board. This is the time to comment on any matters of the

association that may be of concern. Due to the limited time at the meetings and extensive agenda at many meetings, homeowners may be asked to limit comments during the remainder of the meeting. If you have a specific item that requires a Board action or decision, please contact CAMCO at least 10-days before the meeting so your item can be included on the agenda. The Board cannot vote on items not on the agenda.

Comments, Suggestions and Complaints

If you have any issues regarding the association or suggestions to the Board that occur between Board meetings or cannot attend a meeting, you may submit them to our property management company CAMCO via the contact information in the left side bar.

Website

Remember that you can visit the Association's website at CambridgeEstates.org for information on upcoming Board meetings, minutes of Board meetings, governing documents, budgets and other important information. You will need a login to view some of the information. Please contact CAMCO for the login information.

Seasonal Things to do

- ✓ **Summer cleanup** – it's time to inspect your property for any damage and work on fire safety. Do you have old unused play structures that could be removed and even sold?
- ✓ **Weed whacking**
- ✓ **Fire Safety Cleanup**

Local Resources

These local business resources have been recommended by some of our neighbors within our community from their own first-hand experiences with the firms and we share those recommendations

only as a service to our members. However, these businesses are not being officially endorsed by the Cambridge Estates Homeowners Association, or its Board of Directors. You should investigate all recommended firms carefully before doing business with them. If you would like to recommend other local businesses to your neighbors, please contact the Editor via the information on the left.
